

## **CHAPTER – 3 (Manual – 2)**

### **Powers and duties of officers & employees.**

#### **Directorate of Health and Family Welfare Services, Puducherry.**

Directorate of Health and Family Welfare Services functioning at the Pondicherry Housing Board Building at New Saram, Puducherry, has over all supervisory control of Health administration in the Union Territory of Puducherry. The Directorate functions under the control of Director of Health and Family Welfare Services. Director (Health) is assisted by Officer on Special Duty, Senior Accounts Officer, Deputy Director (Statistics) and Deputy Director (Planning). The duties and responsibilities are divided on functional basis.

Officer on Special Duty looks after the General Administrative functions of the Department which includes establishment matters such as Recruitment, Promotions, Confirmations, Transfers, Creation / Continuation of posts, sending proposals for amendment / framing of Recruitment Rules etc., in respect of Group 'C' and 'D' staff. In respect of Group 'A' & 'B' the proposals as and when required are submitted to the Government for approval. In respect of doctors the transfer proposals are initiated by the Secretariat.

The Senior Accounts Officer is responsible for Budget, Proposal for expenditure sanction, Medical Reimbursement, Stores, Assembly questions, Assembly assurances and Pondicherry Medical Relief Society, proposals received from societies under Health Department, Hospital waste management. He also functions as Head of Office for the establishment of Directorate. Additionally he is entrusted with the Building Section. The building section is responsible for calling proposals for inclusion in HLC list sending proposals for getting approval of expenditure sanction and issuing orders of expenditure sanction under the powers of Director.

The Statistical section collects and compiles all the statistical details for the Health Sector and also in the response for collecting and furnishing all the returns as called for by the Government of Puducherry and Government of India. Public grievances reports on various incidents / complaints in Health institutions, letters from MP, MLA are also entrusted to Statistical Section. In addition Statistical Section looks after implementation of PNDT Act, Mental Health Act, issue of Prosecution sanction under PFA, Health Advisory Committees, Mental Health Authority etc.

The Deputy Director (Planning) holding the newly created post, is responsible for preparation of Budget details of all schemes coming under the preview of Health Department. He is responsible for Re-estimate, Five year Plan proposal, Formulation of new schemes, Notification of budget allocation, recast figures and reconciliation of the Health Department Budget.

There are 32 sub-offices / programme officers under the control of the Directorate of Health and Family Welfare Services. (organizational chart is enclosed).
